

First Roll-up of the Season - 17 Sept

We are *officially* underway! Wednesday, 17 September saw our very first Club Roll-Up of the 2025/26 season. The weather hadn't warmed up much since Opening Day – but on the bright side, at least it wasn't raining (small victories, folks).

Sixteen hardy souls braved the chill, bundled up like marshmallows, and took to the green for some spirited games of pairs. Despite the cold fingers, there were some excellent bowls on display – a promising sign of the season ahead.

At the end of play, it was **Mike Nelmes and Robyn Joyce** who emerged victorious, with Mike going the extra mile by also scooping up the raffle prize. Double winner, double bragging rights! 🏆

All in all, a great first roll-up... and we reckon it'll only get warmer from here (surely?).
