

SEPTEMBER 2021

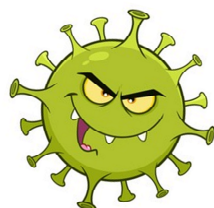

Very Very quick update. Opening Day has been scheduled for this coming Saturday. I know that we had originally scheduled it for last weekend but because of the uncertainty of the Covid levels combined with the inclement weather in the weeks prior, the Board made the decision to postpone Opening Day.

So - subject to the weather - we should be ready to roll at 10am this coming Saturday. Day one of the Handicap Singles which were scheduled to start then will be moved to Sunday with Day 2 to be scheduled at a later date.

For those of you who are computer literate - you can enter any or all of the Championships - and Open tournaments thru our website. Click on the entry form button on the front page. You will also be able to enter at the club right up to 8.30am on the day of competition.

Looking forward to finally getting underway
